

Number 21-A

Addendum to Description of Honor # 21

Translation by Author:-

“I saw another dream that I have become Hadhrat Ali ^(ra) and a group of Khawaraj was opposing my Khilafat and was creating a discord and obstructing my becoming Khalifa and I am among them like an oppressed under trial. I am covered with gush of suspicions and accusations whereas I am innocent. Then the Holy Prophet ^(saw) looked at me and I perceive in my heart that I am to him like his sons and that he is from my honored ancestors. He sympathetically said to me “O Ali leave them alone and their helpers and their harvest.”

I understood in my heart that he advises me to turn away my face from divines (Maulvis) and avoid addressing them and cut off my desire and yearning for reforming these perverse people because they do not accept to be reformed. Spending time over their reformation is just wastage. A desire for their acceptance of the truth is to wish a gift from misers. I saw he loves me and endorses me and takes pity on me and counsels me that he supports me and is among my helpers”

Commentary and Explanation:-

The above dream which Hadhrat Masih-e-Maud ^(as) has described is in Arabic and is stated at pages 563-564 of Roohani Khazain volume 5 is actually the repetition of that dream which has already been described in Serial #21 above. But in the present description some additional things have also been narrated in addition to the Urdu version which is written at pages 218-219 of this book.

In the previous serial #21, it has been described that Hadhrat Sahibzada Mirza Rafi Ahmed ^(as) is the Confirmer of this prediction who is the resemblance of Hadhrat Ayub ^(as) and also Hadhrat Ali ^(ra). In the Arabic description of this dream the following three things come to light:

1. That Hadhrat Sahibzada Mirza Rafi Ahmed ^(as) is the Spiritual son i.e. the Manifestor of the First (Holy Prophet ^(saw)) and the Manifestor of the later (Hadhrat Masih-e-Maud ^(as))
2. That the Holy Prophet ^(saw) confirms that Hadhrat Mirza Rafi Ahmed ^(as) is in the right during mischievous activity which happened regarding the election of Khalifa IV in 1982 A.D. Further this that Holy Prophet ^(saw) is among his endorsers and helpers.
3. That Hadhrat Mirza Rafi Ahmed ^(as) passed the rest of his life in isolation after 1982 by avoiding the people of Nizam; the same in fact was in obedience to the revelation from Allah the Exalted i.e. ***“O Ali leave them alone and their helpers and their harvest”*** as has been published on this web under the heading ‘Statements on Oath’.

Currently this affair is in the Palace of Allah the Greatest of all Governors; the Mighty; the Potent for His final decree and we patiently wait for its issuance and going forth from the Most Merciful of all; the Holy Being. And Allah Knows Best.

Humble,

Ch Ghulam Ahmed, Mahmood the Second
