### ***Sayings of Hadhrat Masih-e-Maud (as) concerning Holy Actions, Designs and Manifestations of Allah the Exalted***

**26.** “The actual thing is this that in the prophecies of God the Exalted the Practice is such that in there, there is also an aspect of concealment and trial. Because if this aspect is not kept therein, then there will be no discord and all will have the same creed. Short sighted and worshippers of apparent form persist in stubbornness and move away from the real objective.”

**30.** “Ever since the creation of the world, the practice of Allah is such that a vast majority of people determine to oppose the appointee. And as a traveler walks and the dogs get around him and bark and raise noises; likewise when an appointee of God adverts and since he is not from amongst them, then other people set on him like dogs and raise noises in opposition and try to cause affliction. However, ultimately God the Exalted perishes all with just a glance.” [Malfoozat, Volume 5, Page 378]

**31.** “This is also the practice of God the Exalted that He bestows a name to someone and in there are many meanings and all of them confirm on him.” [Malfoozat, Volume 5, Page 71]

**32.** “When prophets and messengers advent, they wait patiently up to a time till the opposition from the opponents reaches to the maximum. Then at that time they stand in the court of Allah and supplicate for victory then the result is this “**And Every Haughty enemy came to Naught.**” (Surah Ibrahim, verse 16) and it describes the Sunnatullah (Practice of God). They pray for the decision and the wish to seek the decree develops in them when already the decision has been taken.” [Tafseer by Hadhrat Masih-e-Maud (as), Volume 2, Page 752]

[Malfoozat, Volume 1, Page 398]

**38.** “It is the practice of Allah that His appointees are teased and afflicted. They confront problem after problem not for this that they be killed; rather for this purpose that they absorb the succor of God.”

[Malfoozat, Volume 1, Page 424]

Look how much oppression was used to oppose the Holy Prophet (saw) and contrary to it Musailma the Great Liar was accepted immediately. It has happened same way at the time of Masih (as) and again happened now. Nobody cares for the liars. The righteous is attacked and all join together to oppose him.”

[Malfoozat, Volume 1, Page 583/584]

**42.** “So dear friends! Since it is the Sunnatullah, from times immemorial, that God Almighty shows two Manifestations so that two false joys of the opponents are put to an end. It is not possible now that God should relinquish His old-established Sunnah. So do not be grieved on what I have said to you, and nor your hearts should be distressed, for it is essential for you to see the second Manifestation, too, and its coming is better for you because it is everlasting, the continuity of which will not end till the Day of Judgement .” [Roohani Khazain, Volume 20, Page 305]

In their company the hearts receive satisfaction and the impurities of humanity start decreasing and carnal vices are removed and the fondness for the love of God excites up and the heavenly blessings manifests their grandeur and without them (prophets) these things cannot be acquired at all. Thus these things are the specific signs for their recognition; therefore ponder over it and do not be negligent.”

**49.** “But for the men of God, their luminous predictions glitter with the light of truth. In addition it is essential that those blessed predictions carry with them amazing and wonderful support. Allah Himself takes charge of the mission of His servants and supports them in a wonderful way, apparently and latently and on every occasion and every moment keeps Himself busy in their support. With them it is His Practice that in advance He reveals the news of His Support and at the time of worry and hesitation consoles and encourages them with assurance and then helps them in such an amazing way which is beyond thought and imagination.”
